

## New Face in Sub-Branch Office

Next time you come into the Sub-branch office, you will find a new face at reception.

Jenny is moving to a dedicated part time Pensions function for the Sub-branch after 15 years in her previous role..

This Pensions position is enabled by a financial grant from Twin Towns Services Club, and will greatly enhance our ability to assist veterans of all ages..

Stepping into Jenny's place will be Belinda McIntosh, who was selected for a field of over 90 applicants.

Belinda joins us after many years service in the RAAF in a number of administration and technology roles.

As Belinda will now be in a dedicated reception role, and with her RAAF experience, we hope to develop some more effective ways to communicate with the Sub-branch members.

**With this change, the Sub-branch office will now open from 09:00 - 12:00 Monday to Friday for general business.** Pensions appointments will be made as required.

We welcome Belinda into our dedicated team.
